**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic Gigabit Fiber because the service is much faster, trouble free, and less expensive. AT&T DSL and Comcast Cable have always been slow, expensive, and unreliable.

Competition helps keep the price down and forces the big monopolies to do better.

Sonic installed my service promptly and has keep the service cost down while also providing Internet Phone service.
